Transportation Order

The screenshot shows the 'tom' (Transport Order Management) interface. At the top, there are five buttons: 'Back', 'New Vehicle', 'Save Draft', 'Submit', and 'Return'. Below these buttons, there are four summary statistics: 'TOTAL ORDERED VEHICLE' (2), 'TOTAL IN PROCESS' (0), 'TOTAL ON DELIVERY' (0), and 'TOTAL COMPLETE' (0). A 'Request Number' field displays 'RQ18110005'. Below this, there are two vehicle selection buttons: 'Vehicle-1' and 'Vehicle-2'. A green arrow points to the 'Vehicle-2' button with the text 'Menunjukkan jumlah kendaraan'. Below the vehicle selection, there are three input fields: 'Zone' (set to 'East'), 'Vehicle Type' (set to 'CBU'), and 'Shipment Date' (set to '05/11/2018'). There is a 'Select All' checkbox. Below the input fields, there is a list of routes with a checkbox next to 'Route 1'. A red arrow points to this checkbox with the text 'Pastikan telah di centang! hanya yang di klik / centang yang dapat di Save Draft atau Submit'. At the bottom right, there is a 'Submit' button. A red arrow points to this button with the text 'Status Route (Draft atau Submit)'. There are also two red arrows pointing to the 'Vehicle-1' and 'Vehicle-2' buttons with the text 'Order kendaraan lain, (copy info sebelumnya)'. At the top, there are three red circles with numbers 17, 20, and 21, each with a red arrow pointing to a button: 17 points to 'New Vehicle', 20 points to 'Save Draft', and 21 points to 'Return'. The text for 17 is 'Order kendaraan lain (baru / info kosong)', for 20 is 'Save Draft atau Submit langsung', and for 21 is 'Return untuk balik ke status Draft apabila telah di Submit tetapi belum di proses Transport'.

17 Order kendaraan lain (baru / info kosong)

20 Save Draft atau Submit langsung

21 Return untuk balik ke status Draft apabila telah di Submit tetapi belum di proses Transport

18 Order kendaraan lain, (copy info sebelumnya)

22 Status Route (Draft atau Submit)

Menunjukkan jumlah kendaraan

19 Pastikan telah di centang! hanya yang di klik / centang yang dapat di Save Draft atau Submit

Notes:

1. Route 1 – Route 2 dst. (ke bawah) adalah multi pick / multi drop dalam 1 kendaraan
2. Vehicle 1 – Vehicle 2 dst. (ke kanan) adalah order kendaraan yang berbeda atau menunjukkan jumlah kendaraan yang di order
3. Hanya Route yang di centang yang masuk saat Save Draft atau Submit, apabila tidak maka akan hilang waktu Back atau Close

Transportation Execution

The screenshot shows a web application interface for 'Transportation Execution'. It is divided into two main sections: 'Fleet Detail' and 'Route Detail'. The 'Fleet Detail' section contains four dropdown menus: 'POLICE REGISTRATION NUMBER', 'DRIVER 1' (with 'Suprpto' selected), 'DRIVER 2', and 'CO-DRIVER'. The 'Route Detail' section has a 'KM Based' sub-section with a 'Main' area containing two buttons: 'DC Sukorejo' and 'ADW Cirebon'. Below these is an 'Additional' section, which is currently empty. At the bottom of the 'Route Detail' section is a 'Route' section with two buttons: 'AOT Sukorejo' and 'AOT Sukorejo'. To the right of the 'Route' section is a 'Calculate' button and a 'TOTAL KM' field showing '0'. At the very bottom, there are fields for 'ADDITIONAL COST' and 'REMARKS'. Red lines and arrows are drawn over the interface to highlight specific areas: a red box around the 'Fleet Detail' dropdowns, a red box around the 'Main' buttons, a red box around the 'Additional' section, and red arrows pointing from these boxes to the explanatory text at the bottom of the slide.
